

## **Transport Certificate**

I, Parshotam Singh, president of Kawaljit Kaur Memorial Educational Society, Naushehra Pannuan states that National Public School has the following transport arrangements for students:

1. That the school has its own 21 buses to transport the students.
2. That almost all the students reach school by school transport.
3. That all buses are in very good condition.
4. Every bus has qualified driver with valid heavy driving license and deputed with female helper.
5. That every driver wears specified uniform bearing name plate.
6. That every bus has been painted with yellow color bearing school's name, route number.
7. That every bus is equipped with camera, first aid box & firefighting facilities.
8. That students board the buses on seats and there is no overloading.
9. That every bus bears pollution certificate.
10. That every bus stops on specified Bus Stop.
11. That there is area earmarked for the parking of buses, where students board and get off from the buses.
12. That school has its own security guard, who controls the traffic of buses inside the school.
13. That all the drivers, helpers and guards take the refresher courses specified by state transport department.
14. That no bus violates the speed regulations.
15. That school has its own Road Safety Committee, who reviews the safety rules and arrangements.
